Degree	University/Institute	Year	CGPA/Marks(%)
M.Tech Computer Science & Engineering / NIS - TA	IIT Hyderabad	2026	9.02
B.E. Computer Engineering	NBN Sinhgad Technical Institute, Pune	2022	9.15
XII (Nashik Divisional Board)	Sheth V.K. Shah Vidya Mandir	2017	74.92%
X (Nashik Divisional Board)	Sheth V.K. Shah Vidya Mandir	2015	88.20%

WORK EXPERIENCE

Samsung Research Institute Bangalore (SRIB) | AI Research Intern | Bangalore July 2025 – Jan 2026

- **Fine-tuned** Web Agent models, improving **task success rate by 400%** and workflow reliability across executions.
- Optimized **Web Agent Framework**, reducing **token payload size by 40%**, lowering inference latency and per-query cost, and enhancing **data privacy** to mitigate vulnerabilities and reduce hallucinations.
- Implemented model evaluation & **benchmarking pipeline**, enabling performance and reliability tracking.

Cognizant Technology Solutions | Salesforce Developer | Pune July 2022 – July 2024

- Developed **enterprise Salesforce** solutions for a client & configured to ensure compliance with governance policies.
- **Reduced manual effort by 40%** by integrating **Einstein AI** for automated lead scoring and case assignment.
- Refactored and optimized legacy codebase, reducing code volume from **60K to 35K lines**.

Microsoft Future Ready Talent Internship | Cloud & DevOps Intern | Remote Mar 2022 – May 2022

- Containerized and deployed “Mess Menu” React app to **Azure App Service** with CI/CD pipelines
- Implemented **end-to-end CI/CD** in Azure DevOps, accelerating application releases

PROJECTS

Multi-Channel Conversational AI Platform | [Website](#)

- Built a multi-tenant conversational AI platform **unifying voice, chat, and email** with real-time STT/TTS pipelines and multilingual support for low-latency customer-care interactions.
- Developed a hybrid RAG pipeline (semantic + keyword retrieval) with LLM-based intent classification, improving answer relevance by 18% for customer data interactions.

Indian Law AI Portal | [GitHub](#)

- Built an **agentic RAG legal assistant** routing queries to four domain agents (Criminal, Civil, Constitutional, General) over official Indian statutes (Constitution, BNS, BNSS, IPC, CrPC, CPC).
- Implemented **RAG Fusion** and **FAISS** (~2,600 chunks) on Groq based LLM Models with cited JSON responses.

PIRvision Classifier Model | [GitHub](#)

- Developed a **CNN–LSTM hybrid model** for human activity recognition, enabling automated **lighting and safety monitoring** for elderly or children in home environments, supporting cost efficient IoT deployment.
- Achieved **0.96 F1 score** on PIR sensor data by engineering **12+ temporal and statistical features** & noise injection.

ACADEMIC RESEARCH

DES: Efficient Long-Tailed Exemplar-Free CL on VLM (IJCAI GLOW 2026 Workshop, Accepted)

- Proposed Dynamic Expert Saturation (DES), a two-phase framework for long-tailed, exemplar-free continual learning in vision-language models.
- Achieved up to 3.08% higher accuracy than the strongest baseline and $2.5\text{--}3.9\times$ faster performance than prompt-based methods on CIFAR100-LT and ImageNet100-LT.

Adversarial Robustness in Florence-2 VLM (IEEE APSCON 2026, Accepted)

- Developed defense strategies for object detection under PGD/FGSM attacks without model fine-tuning.
- Achieved 30% performance recovery using input and feature-level transformations, restoring accuracy under adversarial conditions.

TECHNICAL SKILLS

Machine Learning: Fine-Tuning LLM / VLM, Deep Learning, Deep RL, LoRA, RAG, Transformers.

Languages & Data: Python, C++, SQL.

Web & Backend: React.js, Django, Node.js, REST APIs, HTML5.

Tools & Foundations: Git, Docker, Linux, Azure, CI/CD, Hugging Face, PyTorch, NumPy, Pandas, Scikit-learn.

Awards & ACHIEVEMENTS

- **Winner – ET Campus Star (Economic Times)**
- **1st Place** – AI Ideathon Hackathon, Innovation Elan n Vision & Dev Duel Hackathon (IIT Hyderabad)
- **2nd Place** – Pulse Quest Hackathon (IIT Hyderabad)

POSITIONS OF RESPONSIBILITY

- **Placement Coordinator - IITH:** Managed recruiter communications and coordinated placement drives.
- **Hospitality Coordinator, SPICMACAY - IITH:** Organized cultural events and handled guest hospitality.
- **Coordinator, Epoch Club:** Led weekly ML/DL sessions and collaborative technical activities.
